

Catalogue

***Providing Equipment rental and services for the West African Region.
Bases in Port-Gentil (Gabon) & Pointe-Noire (Congo).***

OIS Group, Overview

Created in 2001, OIS GROUP is today one of the leaders in the rental and supply of offshore & marine related equipment for the oil industry in the Gulf of Guinea area.

OIS GROUP Advantages :

- * A strong reputation of integrity and service among its customers
- * A strong implication within the offshore and onshore oil sector in the Gulf of Guinea area.

The core business of the company is to provide a hire fleet of Equipment/Assets and services for the West African Region. Mirror bases in Port-Gentil Gabon and Pointe Noire, Congo, with over 12 000 square meters of yard, 800 square meters of workshop and testing facilities for our cranes, winches, water pumps and Hydraulic units.

In addition to our main bases we deliver products and services from other bases in Angola and Cameroun through our partners in the region (please refer to the group). Fit for purpose Equipment and services and customers satisfaction is our main goal.

OIS Group overview	3 - 4
Equipement List January 2017	5
Diesel Centrifugal Pumps	6
Multistages Diesel Pumps	7
Diesel Fire Pumps	8
Diaphragme & Chemical Pumps	9
Submersible & Dredging Pumps	10
High Pressure Triplex Pumps	11
Underwater & Topside Cleaning Lances And Nozzles :	12
Duplex & Triplex Transfert / Injection Pumps	13
Generators	14
Pneumatic And Hydraulic Utility & Man Riders Winches	15
Offshore Cranes	16
Hydraulic Spoolers	17
Hydraulics Power Packs	18
« A » Frames & Hydraulics Down Lines	19
Hydraulic & Pneumatic Tools	20
Air Compressors & Aftercoolers	21
Grit Blasting Equipment & Blast Room:	22
Pressure Test Equipements	23
Test & Control Cabins	24
Offshore Flush & Diesel Tanks	25
Hydratight Bolt Tensioning Equipment	26
Water Load Bags And Lift Bags	27

Available for rent from our Gabon and Congo bases.

OIS Congo and OIS Gabon have a current catalog of more than 1000 assets available for rent in the West African zone.

- Compressors
- Generators
- A frames
- Modular Cranes
- HP Pumps
- Water Pumps
- Hydraulic Power Units
- Injection and Transfert Pumps
- Spooling Winches
- Water Load Bags and Lift Bags
- Tanks
- Pneumatic and Hydraulic Tools
- Bolt Tensioning Tools
- Air Drying Systems
- Cleaning Lances and Nozzles
- Pipeline Repair Equipment
- Hydrotest Products & Services
- Control Cabins

All pumps including :

- * Suction hose with footvalve / strainer
- * 20 m evacuation hose (we can provide longer if required)

We can also fabricate any required crossover

Centrifugal pump 35 m ³ /h 3 bar
Centrifugal pump 50 m ³ /h 3 bar
Centrifugal pump 80 m ³ /h 4 bar
Centrifugal pump 100 m ³ /h / 6 bar
Centrifugal pump 150 m ³ /h 6 bar

Centrifugal pump 200 m ³ /h 7 bar
Centrifugal pump 250 m ³ /h 8 bar
Centrifugal pump 250 m ³ /h 8 bar
Centrifugal pump 300 m ³ /h 8 bar
Centrifugal pump 500 m ³ /h 7 bar

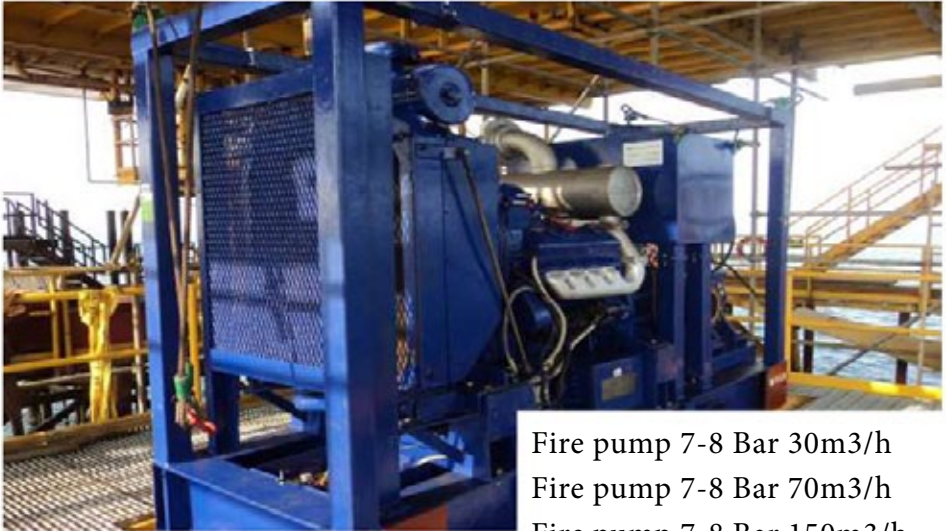

Ideal for pigging and flushing applications

Pump 35 m ³ /h 10 b
Pump 50m ³ /h 10 b
pump 80m ³ /h 10 b
pump 100m ³ /h 12 b
Multistages Pump 150m ³ /h 12 b
Multistages Pump 200m ³ /h 12 b

Multistages Pump 200m ³ /h 15 b
Multistages Pump 150m ³ /h 25 b
Multistages Pump 200m ³ /h 25 b
Multistages pump 40 m ³ h / 40 bar
Multistages pump 70 m ³ h / 40 bar
Multistages pump 150 m ³ h / 35 bar

Fire pump 7-8 Bar 30m³/h
Fire pump 7-8 Bar 70m³/h
Fire pump 7-8 Bar 150m³/h
Fire pump 7-8 Bar 200m³/h

1" Diaphragm pump
2" Diaphragm pump
3" Diaphragm pumps
chemical injection pump

SM 22 Stanley Hydraulic Pump

TP 03 Stanley Hydraulic Pump

Electric Pump 150m³/h 3 bar

Electric Pump 30m³/h 3 bar

Dredge Pump Toyo Electric DP 50

Dredge Pump Toyo Hydraulic DP 50

Ideal for cleaning, pressure tests and water injection.

Triplex Diesel Pump 0-200 bar / 15 lpm	Triplex Pump 0-300Bar diesel 300l/min
Triplex Pump 0-200Bar 30 l/minute	UHP pumps 2500 bar / 25 LPM
Triplex Pump 0-500Bar diesel 40 l/min	Caviblaster 2040 UW Cleaning pump
Triplex Pump 0-800Bar diesel 65 l/min	Guns / lances HP U/W / topside models
Triplex Pump 0-1000Bar diesel 75 l/min	Rotary nozzles up to 4"
Triplex Pump 0-1200Bar 60-70l/min	Rotary nozzles up to 16"

Underwater & Topside Cleaning Lances and Nozzles

For pressure tests, underwater cleaning, topside cleaning. We can also provide different kinds of cleaning lances (topside or underwater) and rotary nozzles for internal pipes and tanks cleanings.

Diesel or Electric Driven, for crude oil or water transfer or injection.

Pump Duplex Electric 21 bar 30m3h

Pum Duplex Electric 21 bar 45m3h

Triplex Myers Pump 100 bar / 12 m3h

Triplex diesel Pump 4500 BPD 1800 Psi

National 165 Electric driven Pump, LP

Head. 3 ; 3,5 or 4" Plungers

Quintuplex diesel driven Pump 1200 Psi

9000 BPD

PCM pump 40 m3 h / 10 bar hydr Driven

inch HPU

boosting pumps for transfert pumps.

From 6 to 600 kVa, skid mounted or sound proof...

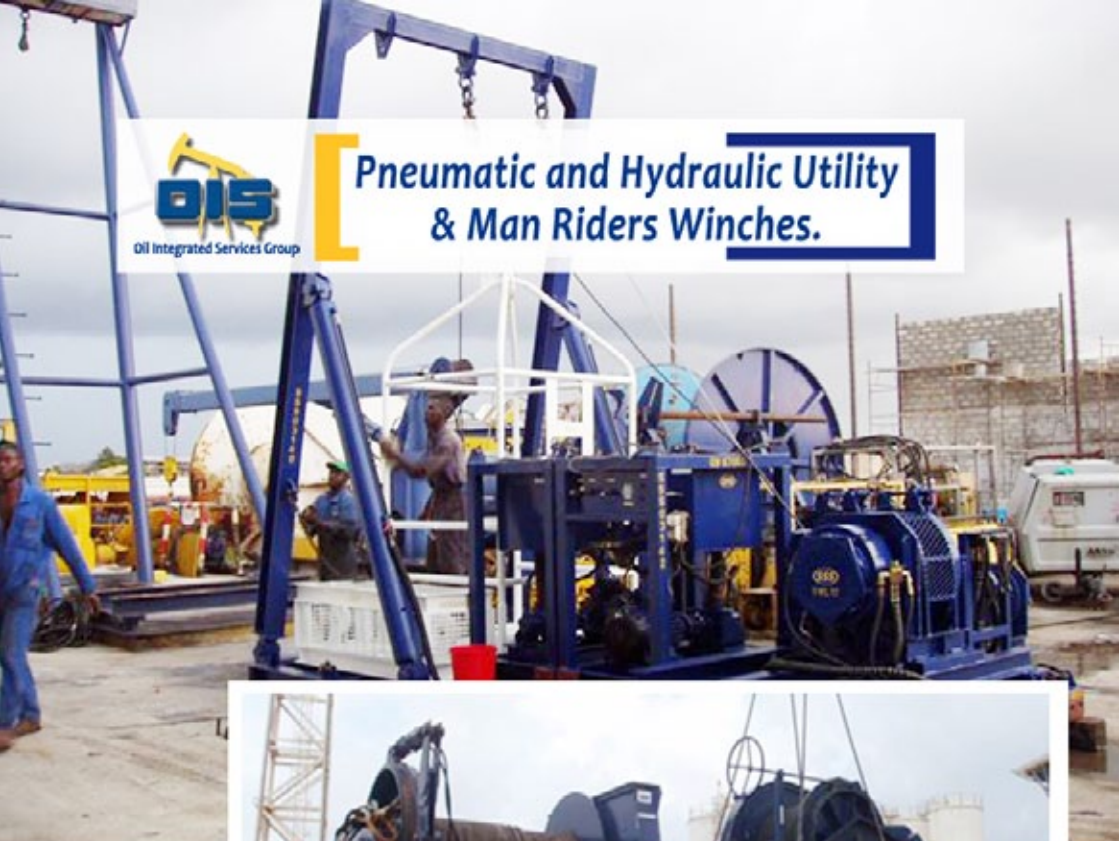

*Also available distribution boards,
light towers... etc.*

Oil Integrated Services Group

Pneumatic and Hydraulic Utility & Man Riders Winches.

Mooring winches

From 1 to 25 tons , all units third party certified

Modular cranes

Modular Crane « Big Stiff » 10t@10m
 Modular Crane 6t @ 10m
 Modular crane «Little Giant» 2t@10m
 telescopic crane «Galion 150» SWL 1.5 ton@ 17m /14 tons @ 1 m
 Telescopic crane type Effer 371,1 t @ 12m
 Telescopic crane « grove » 1,5 t @ 6 m

Telescopic skid mounted cranes:

Fixed and removable drum units available.

Hydraulic Spooler removable Drum

SWL 12 tons

Hydraulic Spooler removable Drum

SWL 35tons

Hydraulic Spooler removable Drum

SWL 50 tons

Hydraulic Spooler fixed drum SWL
8 tons

Hydraulic Spooler fixed drum SWL
20 tons

Rotary table SWL 5 tons

Rotary table SWL 30 tons

Oil Integrated Services Group

Hydraulics Power Packs

Diesel and electric units available

Electric Powerpack 30 LPM

Diesel Powerpack 30 LPM

Powerpack 60L/minute

Powerpack 100 L/minute

Powerpack 120 L/minute

Powerpack 200 L/minute

Powerpack 300 L/minute

Hydraulics Down Lines

Description

Hydraulic Down line 100 m (pressure & return)

Hydraulic Down line 150m

Hydraulic Down line 200 m

- * Meuleuse Grinder GR 29
- * Hydraulic Driller
- * Peanut Grinder
- * Impact Wrench 3/4"
- * Impact Wrench 1"
- * Impact Wrench 1" 1/4
- * Nut Splitter
- * Flange Spreader
- * Hydraulic Breaker CH 18
- * Hydraulic Breaker BR 37
- * Hydraulic Breaker BR 47
- * Hydraulic Breaker BR 67
- * Guillotine Saw Pipe Cutter 0-10"
- * Roberts Lathe coupe pipe 12-20"
- * Wachs Trav L Cutter Pipe Cutter 6" - 72"

All compressors fitted in certified offshore skids with lifting slings
We can supply hoses, filters and after coolers.

Electric air compressor 500L/min 8 bar (100cfm)
 Diesel air compressor 2m³ min 7 bar (7Lcfm)
 Diesel air compressor 3 m³/min 7 bar (105 cfm)
 Diesel air compressor 5 m³/min (176cfm) 7 bar
 Diesel air compressor 8 m³/min (282 cfm) 7 bar
 Diesel air compressor 12 m³/min (400 cfm) 7 bar
 Diesel air compressor 10 m³/min (360 cfm) 10 bar
 Diesel air compressor 12m³/min (400 cfm) 15 bar
 Diesel air compressor 17 m³/min (600 cfm) 8 bar
 Diesel air compressor 23 m³/min (825 cfm) 9 bar
 Diesel air compressor 23 m³/min (825 cfm) 12 bar
 Diesel air compressor 27 m³/min (950 cfm) 8 bar
 Diesel air compressor 23 m³/min 21 bar
 Diesel air compressor 32 m³/min 8 bar
 Aftercooler ABC 180 (18 m³ minute)
 Aftercooler Gritco RA80 (8 m³ minute)

Grit Blasting Equipment & Blast Room

Sand blasting pot
Sand blasting hoses 20 m nozzles
Grit Bag

Pressure Test Equipments

OIS can supply complete spreads for pressure tests and pressure test cabins, including all instrumentation

Description
Air driven test pump 110bar 11 LPM, 350 bar 4 LPM ,1500 bar 0.8 LPM
Electric 440 v triplex pumps 200 bar 20 LPM
Diesel driven triplex pumps up to 1200 bars
Electronic dead weight testers
Pressure & temperature chart recorder 0-16b, 0-50 bar, 0-150 bar, 0-400 bar, 0-1000 bar
Test gauges 0-16b, 0-50 bar, 0-150 bar, 0-400 bar, 0-1000 bar
Chemical injection pumps
Certified temperature gauges
Subsea temperature recorders
test manifold, built to client requirements
90 microns 6" filter
50 microns 2" filter
4" turbine electronic Flowmeter 200 m3/h 30 bars
6" turbine electronic Flowmeter 300 LPM 30 bar
2" gas or liquid flowmeters
½" 500 bar 20 LPM turbine flowmeters
Pressure hoses
crossovers
8' and 10' test cabins

Oil Integrated Services Group

Test & Control Cabins

- 8' Control cabin
- 10' Control cabin
- 20' Mess containers
- 20' Office containers
- 20' WSHP containers
- 20' Standard dry containers

1 m³ Tank
2 m³ Tank
3 m³ Tank
7 m³ Tank
10 m³ Tank
13 m³ Tank
20 m³ Tank

Hydratight Bolt Tensioning Equipment

Description	
Sea Serpent bolt tensioning jacks	
Reaction nuts	
Nut splitters	
Flange spreaders	
Bolt tensioning hydraulic pumps	
Hydratight down lines	
Hydraulic torque wrenches	
Manual torque wrenches	

Oil Integrated Services Group

Water Load Bags & Lift Bags.

Available for rent, water load bags for load testing, air lift bags and IBUs.

Water load bag 2 Ton

Water load bag 5 Ton

Water load bag 10 Ton

Water load bag 20 Ton

Water load bag 35 Ton

Inflatable buoyancy units (IBUs) 1t

Inflatable buoyancy units (IBUs) 2t

Inflatable buoyancy units (IBUs) 3t

Inflatable buoyancy units (IBUs) 5t

Open Lift Bags 500 K

Open Lift Bags 1 T

Open Lift Bags 2 T
